Sign up now and get a FREE Whole Home Energy Check Up - a \$300 Value.

Your credit union is offering a FREE whole home energy check up from Dr. Energy Saver™, a \$300 value, to any residential electricity customer who signs up for its low-cost electricity offer.

- 1) Price: Customer will receive electricity from Discount Power, Inc. ("DPI") at a floating generation rate.
2) Term: This Service Contract is for an indefinite period of time and is terminable by the customer at any time in accordance with the Cancellation provisions contained in paragraph 3.
3) Cancellation: Customers may cancel at any time for any reason.
4) Billing: Customer will continue to receive one monthly electric bill processed and provided by CL&P or UI.
5) Emergency: In the event of an emergency such as a power failure or a downed power line, customer should call their local distribution company, CL&P 800.286.2000 or UI 800.722.5584.
6) Customer Relocation: If a customer moves to a new address within our current service territory, this agreement will continue and DPI will supply electricity to the new location.
7) Changes to Contract: DPI may at any time, modify, reassign or withdraw this agreement with thirty (30) days written notice if there are adverse changes in the laws, rules or market conditions affecting DPI's ability to perform hereunder.
8) Security Deposit: DPI does not require a security deposit from its customers.

Savings Options Offered by Metropolitan District Employees' Credit Union

Save on Electricity: Offering Low-Cost Electricity Products

Discount Power's products are available to both residential and commercial customers. You have the opportunity to save up to 20% on the generation portion of your electric bill. Discount Power's commitment is to keep prices low and stable.

Save on Consumption: Sign Up Now and Save Even More. Get a FREE Whole Home Energy Check Up – a \$300 Value.

Your credit union is offering a **FREE** whole home energy check up from Dr. Energy Saver™, a **\$300** value, to any residential electricity customer who signs up for low-cost electricity through Discount Power. The Dr. Energy Saver™ whole home energy check up provides a thorough diagnosis of how a home uses, loses and wastes energy and money.

To redeem your Dr. Energy Saver **FREE** Whole Home Check Up, please enter coupon code, **CULCT**, when enrolling online at www.mdecupower.org or on the attached enrollment form.

Save the Environment: Renewable, Green Energy Certificate Options

Renewable energy certificates, made available through the state's CT Clean Energy Options program (administered by authorized CT Clean Energy Options supplier Sterling Planet), support the production of clean power from renewable energy resources. Renewable energy certificate options appear on customer bills as a separate line item labeled Sterling Planet CEO (Clean Energy Option).

Please contact your Credit Union if you are interested in learning more about this Renewable program offering.

Frequently Asked Questions

What would be the estimated savings on the generation portion of my electric bill?

The savings will average up to 20% from the current utility rates. It will vary if you are with a current deregulated supplier depending on their rate.

Will I get two electric bills?

No, you will still receive only one bill. That bill will come from the public utility (CL&P or UI).

Do I pay Discount Power and the public utility?

No, you only pay CL&P or UI. CL&P or UI pays Discount Power.

Will my bill look different?

No, your bill will look the same. The only difference you will see is Discount Power will be listed as the electric supplier.

Who do I call if my power goes out?

You still call the public utility if your service goes out or you have any other repair issues.

For CL&P - 1-800-286-2000 | For UI - 1-800-722-5584

Do I have to sign any type of contract?

No, variable rate customers can cancel anytime. Fixed price customers will be asked to sign a contract.

If I cancel do I have to pay a fee or penalty?

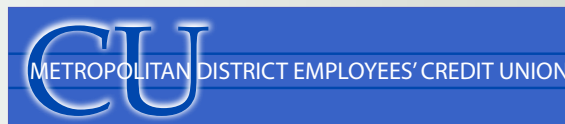

No, Discount Power does not charge any fees for variable rate customers if you switch your service to another supplier.

When I switch, how long does it take before I see savings?

When you enroll, you are officially switched on your next meter reading. If your meter reading is on the 15th and you sign up on the 5th, you will be switched on the 15th. If you switch on the 16th, you will not be switched until the 15th of the next month.

Will my service be interrupted?

No, there is no interruption of service. The switch is seamless.
